Dream About You

[Stevie B](#)

There was a time in my life
When I open my eyes and there you are
You were more than a dream
I could reach out and touch you girl
That was long ago

There are some things
That I guess I'll never know
('Coz) When you love someone
You gotta learn to let them go

When I dream about you
That's when everything's alright
You're in my arms here next to me forever
When I dream about you
Girl you'll never go away
Just close my eyes
Wait for my dreams
'Coz I still love, loving you

How can I get you to see
That I'm fallin' apart
Since you've been gone
I was never be sure
I could never let go of your love
Is much too strong

There are some things
That I guess I'll never know
('Coz) When you love someone
You gotta learn to let them go

When I dream about you
That's when everything's alright
You're in my arms here next to me forever
When I dream about you
Girl you'll never go away
Just close my eyes
Wait for my dreams

'Coz I still love, loving you

There are some things
That I guess I'll never know
('Coz) When you love someone
You gotta learn to let them go

When I dream about you
That's when everything's alright
You're in my arms here next to me forever
When I dream about you
Girl you'll never go away
Just close my eyes
Wait for my dreams
'Coz I still love, loving you
