

I Need a Girl

Trey Songz

Shawty where you at?

Shawty where you at?

Shawty where you at?

Yea, yea. It gets lonely in this business, need a homie

Who's a realest.

Someone who wants to find out all that I have to give.

Who can bring me, what is missin', when I talk she wanna listen.

Sittin' patient steady waitin', for the day when I can face it. The one that can love me for, who I am and so much more (is it you?).

You ma Bonnie (say that I) I found the one,

I ain't gonna rest till I know for sure, so. Baby please believe me when I tell you that, I need a girl (need a girl).

So come on pretty lady won't you holla back, I need a girl

(I'm a tell you what I need).

I need a girl that's goin' be my baby, so if you love me say "I'm your baby".

So fine I go "that's my baby", so if you need me say "your my baby". I'm a good man, who ain't got a lot to ask, just lookin' for somethin' I can build on.

I'm a young man, with a whole lotta cash,

just lookin' for a lady I can spend on.

So all the young ladies in every little city,

when I come to your town, let me know that you down.

Sittin' patient steady waitin', for the day when I can face it. The one that can love me for, who I am and so much more (is it you?).

You my Bonnie (say that I) I found the one,

I ain't gonna rest till I know for sure, so. Baby please believe me when I tell you that, I need a girl (girl).

So come on pretty lady won't you holla back, I need a girl

(I'm a tell you what I need).

I need a girl that's goin' be my baby, so if you love me say "I'm your baby".

So fine I go "that's my baby", so if you need me say "your my baby". You could, be my everything,

Oh you mean so much to me and I don't even know your name.

(But I know that) that I'm your man (man), and you are my girl (girl)

And if I ever meet ya I'm a give ya the world (oh). Baby please believe me when I tell you that, I need a girl (girl).

So come on pretty lady won't you holla back, I need a girl

(I'm a tell you what I need).

I need a girl that's goin' be my baby, so if you love me say "I'm your baby".

So fine I go "that's my baby", so if you need me say "your my baby". Baby please believe me when I tell you that, I need a girl (need a girl).

So come on pretty lady won't you holla back, I need a girl (girl)

(I'm a tell you what I need).

I need a girl that's goin' be my baby, so if you love me say "I'm your baby".
So fine I go "that's my baby", so if you need me say "your my baby". "Your my baby!"
Yea, (huh) ye yea yea yea oh yea, yea yea yea.
