Legendary

Wale

Chopper the don with it, I wrote lyrics They ain't grossing a million, liquid don't form an opinion I'm sort of a genius, nothing short of a legend Sort of Tommy Lasorda The way I'm sorting these pitchers Pitchers whatever, fuck it my speech is off Weekend trip to wherever, only heaven is far Metaphors in every color, these indelible bars Jordan four seated floor side sittin with mobs Only fear is mediocrity Every time I got a beat I feel like I don't gotta sleep You keep praying on your break, I hope you got a sling Shot for all them shots coming out them beaks I'm sort of like Socrates in a Prada T You can't kick it, your pockets thinner than soccer teams People fuckin' with me, they ain't fuckin with you Lyrically sup hmm being generous too I remember a nigga demo just sit in a room Made some moves, now I'm known to spit December and June Rented a coupe, cool, met me a chick Always keep a rubber, word to telling your kids If you gon do what you gon do, go handle your biz Or smoke some purp take a Percocet and Xanax and chill For real, you real then I don't need to say it It's something to be great, it's nothing to be famous So Fuck fame, fuck money Fuck everything anyone can take from me It ain't hard to make money We young niggas, we just tryna be legendary Tryna be, we just tryna be, we just tryna be We just tryna be legendary Fuck fame, fuck money And fuck everything anyone can take from me See it ain't hard, to make money We young niggas, we just tryna be legendary Lord, tryna be lord, tryna be, lord, tryna be We just tryna be legendaryZoning my second bottle, focused still on tomorrow 'So what thoughts' keep me anxious, Moet gon' keep me calmer Poetry keep her honest, these readings Stevie could draw up Don't see this deeper than music, don't hear it but feel the author

I don't hear no talking, we just hear them barking And you know you run shit when they pay you good for walk-ins Failure is not an option, success is just a process Say "yes" one time they use you, say "no" one time they plotting Didn't make it through college, still debating my progress End some friendships with homies, made some haters with albums Limitations for cowards, this is Shay mixed with Malcolm This is anti Mark McGuire it takes patience for power Zoning my six rillo legendaries forever Roll a nigga that lala, that's how I play the 'Melo Niggas plotting against you, hate you but never tell you And I know my haters want to make my heart beat acapella Hella proper, my garment is propeller of chopper Cause I hella copped em so I could be way flyer than all them I Aspire for awesome and require some flossing Only way they gon' listen, find it highly unfortunate Tryna see if real lyric spittin can buy me a Porsche Tryna see if I get my critics as silent as auctions I decided to boss up, life's a bitch and I caught her Don't always fuck me good, I'm just too cheap to divorce herSo fuck fame, and fuck money And fuck everything anyone can take from me It ain't hard, to make money A young nigga I'm just tryna be legendary Tryna be, I'm just tryna be, I'm just tryna be I'm just tryna be legendary Fuck fame, fuck money, And fuck everything anyone can take from me It ain't hard, to make money A young nigga I'm just tryna be legendary

Lord, tryna be, lord, tryna be, lord
I'm just tryna be legendary
So fuck fame, and fuck money
And fuck everything anyone can take from me
It ain't hard, to make money
A young nigga I'm just tryna be
