

A Long, Cold Night in Minneapolis

Dead Man Winter

Dead man winter: a long, cold night in Minneapolis

Let go of me darling
Before you kill me
I'm hollow and holly
Just like man
Youâ€™ll never know me
The way i know sorrow
It kinda helps nothing but itâ€™s all i got left
Itâ€™s a beautiful morning with silver line thunder
And the hollowing winds of the winter appear
The patriotic sidewalk grows with me sweetly
Roams with shame the one without fear
Itâ€™s no surprise
Works every time
Let your light shine down

Donâ€™t come and say honey
The chaos in cites
Your armed to the teeth but it looks good on you your slow em brass draws silence around me
You had no choice it was the right thing to do
