Bedtime Story

Jon Schmidt

I've told you almost every bedtime story
And you've heard almost every nursery rhyme
So tonight before you'll go to sleep
And pray the Lord your soul to keep
Here's Mommy's favorite story one more timeOnce upon a time there was a castle
And in this castle lived a king and queen
And it came to pass they both were blessed
By one little blue eyed princess
With the softest golden curls you've ever seenBut then one day he met this pretty lady
And she had lots of pretty words to say
And this part makes your Mommy sad
'Cause, oh, what big eyes she had
And she took his hand and led him far awayStill it's just another bedtime story
But telling it brings teardrops to my eyes
Just another pretty bedtime story
So please forgive Mommy if she criesThen it came to pass the king grew lonely
And the pretty lady wasn't all she seemed
He realized that he was wrong
And started his long journey home
For he missed his little princess and his queenThen he was back and safe inside his castle
And tears of joy came pouring down like rain
Then the castle rang with laughter
They lived happy ever after
Knowing he would never leave againStill it's just another bedtime story
But telling it brings teardrops to my eyes
Just another pretty bedtime story
So please forgive Mommy if she criesWon't you please forgive your Mommy if she cries
