

# Bedtime Story

## Jon Schmidt

I've told you almost every bedtime story  
And you've heard almost every nursery rhyme  
    So tonight before you'll go to sleep  
    And pray the Lord your soul to keep

Here's Mommy's favorite story one more timeOnce upon a time there was a castle  
    And in this castle lived a king and queen  
    And it came to pass they both were blessed  
        By one little blue eyed princess

With the softest golden curls you've ever seenBut then one day he met this pretty lady  
    And she had lots of pretty words to say  
    And this part makes your Mommy sad  
        'Cause, oh, what big eyes she had

And she took his hand and led him far awayStill it's just another bedtime story  
    But telling it brings teardrops to my eyes  
        Just another pretty bedtime story

So please forgive Mommy if she criesThen it came to pass the king grew lonely  
    And the pretty lady wasn't all she seemed  
        He realized that he was wrong  
        And started his long journey home

For he missed his little princess and his queenThen he was back and safe inside his castle  
    And tears of joy came pouring down like rain  
        Then the castle rang with laughter  
        They lived happy ever after

Knowing he would never leave againStill it's just another bedtime story  
    But telling it brings teardrops to my eyes  
        Just another pretty bedtime story

So please forgive Mommy if she criesWon't you please forgive your Mommy if she cries
