

# Yesterday Is Here

Tom Waits

If you want money in your pocket  
And a top hat on your head  
A hot meal on your table  
And a blanket on your bed Well today is grey skies  
Tomorrow is tears  
You'll have to wait til yesterday is here Well, I'm going to New York City  
And I'm leaving on a train  
And if you want to stay behind  
And wait til I come back again Today's grey skies  
Tomorrow is tears  
You'll have to wait til yesterday's here If you want to go  
Where rainbows end  
You'll have to say goodbye  
All our dreams come true, baby up ahead  
And it's out where your memories lie Well, the road is out before me  
And the moon is shining bright  
What I want you to remember as I disappear tonight Well, today's grey skies  
Tomorrow's tears  
You'll have to wait til yesterday is here Well, today's grey skies  
Tomorrow's tears  
You'll have to wait til yesterday's here  
You'll have to wait til yesterday's here  
You'll have to wait til yesterday's here
