## **Let's Stay Together**

## Al Green

I, I'm so in love with you Whatever you want to do is all right with me 'Cause you make me feel so brand new And I want to spend my life with youLet me say that since, baby, since we've been together Loving you forever is what I need Oh let me be the one you come running to I'll never be untrueOh let's, let's stay together Lovin' you whether, whether Times are good or bad, happy or sad, alright, oh yeah Whether times are good or bad, happy or sadOh tell me why, why, why, why, why, why Why people break up, turn around and make up I can't see, you never, never, never do that to me You better not do, staying around you is all I All these eyes will ever seeWhy won't you say that me, everybody says That let's, let's stay together Lovin' you whether, whether Times are good or bad, happy or sadEverybody says, "Let's, let's stay together I'll keep on lovin' you whether, whether Times are, oh times are good or times are bad Whether, whether good or bad, happy or sad
