Kiss Me

New Found Glory

Kiss me, out of the bearded barley Nightly, beside the green, green grass Swing, swing the spinning step I'll wear those shoes and you will wear that dressOh kiss me, beneath the milky twilight Lead me out on the moonlit floor Lift your open hand, strike up the band And make the fireflies dance, silver moon's sparkling So kiss meKiss me, down by the broken tree house Swing me upon its hanging tire Bring, bring, bring your flowered hat We'll take the trail marked on your father's mapOh, kiss me beneath the milky twilight Lead me out on the moonlit floor Lift your open hand, strike up the band And make the fireflies dance, silver moon's sparkling So kiss meOh, kiss me beneath the milky twilight Lead me out on the moonlit floor Lift your open hand, strike up the band And make the fireflies dance, silver moon's sparkling
