Nobody Owns Me

Belinda Carlisle

Nobody owns me
I don't wanna be anybody's fool
No one can make me do
What I don't want to do
No, no, nobody owns me
Nobody but you
I'm gonna follow my heart wherever it leads, ooh
I'm not afraid of my destiny, ooh
There's another point of view
And it takes me back to you
Nobody owns me
I don't wanna be anybody's fool
No one can make me do
What I don't want to do
No, no, nobody owns me
Nobody but you
I wanna dream my dreams and live them too, ooh
Do a million things before I'm through, ooh
There's another side of me
That only you can see
Nobody owns me
I don't wanna be anybody's fool
No one can make me do
What I don't want to do
No, no, nobody owns me
Nobody but you
Nobody but you
Nobody but you
Nobody but you
Nobody owns me
I don't wanna be anybody's fool
No one can make me do
What I don't want to do, ooh, ooh
No, no, nobody owns me
Nobody but you
No, no, nobody owns me
Nobody but you
No, no, nobody owns me
Nobody but you
