False Alarm

The Bronx

Yeah, I don't think I'm alive
Dead footsteps, another outcast screaming alone
God help me, give me what you want
Give me what you need, I'll take it all
Stand fall, lost out, baby, yes I knowIt's not a secret, a false alarm
Another front page
Lie disguised to help me burnAnother year of research stand still
Turn on the lights, baby, show me your scars
Salvation, give me audio give me visual overload
So slow, lost out, baby, yes I knowYeah, everyone is suspect
Everyone deserts sometimes
Another loss, I'm feeling alone
