

# Feelings Are Fatal

[mxmtoon](#)

I'm happy for you  
I'm smiling for you  
I'd do anything for you, for you  
It's always for you  
And never for me  
And I need to stop  
So let me tell you please  
I'm always sad  
And I'm always lonely  
But I can tell you that I'm breaking slowly  
Closed doors, locked in, no keys  
Keeping my fillings hidden  
There is no ease  
I need it to stop  
And I want to be able  
To open up but,  
My feelings are fatal  
(My feelings are fatal)  
How many times  
Must i keep it inside  
I need to let go  
And i swear that i've tried  
But opening up means trusting others  
And that's just too much, i don't want to bother  
So i'll keep it inside and bury it deep  
I know it's not healthy  
But you won't hear a peep  
Though i'm always sad  
And i'm always lonely  
I could never tell you  
That i'm breaking slowly  
Closed doors, locked in, no keys  
Keeping my feelings hidden  
There is no ease  
I need it to stop  
And i want to be able  
To open up but, my feelings are fatal  
(My feelings are fatal)
