# Lighters Up

## Snoop Lion

{Intro}
Ah, Gully God Snoop Dogg
Haha, anyway, ah!
Come on, Gully

{Chorus}
Put your lighters up
Get high with me, fly with me
Ainâ€™t no dividing us
East Side, West Side
North Side, South Side unified
Come on and ride with us

Put your lighters up
Get high with me, fly with me
Ainâ€™t no dividing us
East Side, West Side
North Side, South Side unified, ah

{Mavado}
We're keep a peace dance pon the scene
East Side and the West Side come in
Yard man in a the place you know we ever clean
High Grade flow through we blood stream
The goons them out, the girls are out, we love the chemistry
We making money fÃ¼ck the guns we no want no enemy
Come make we do this till the morning until it touch dawn
Link up with me, all enemies

{Chorus}
Put your lighters up
Get high with me, fly with me
Ainâ€™t no dividing us
East Side, West Side
North Side, South Side unified
Come on and ride with us

Put your lighters up
Get high with me, fly with me
Ainâ€™t no dividing us

East Side, West Side
North Side, South Side unified, ah

{Snoop Lion}
Ay! Ainâ€™t no dividing us we choose the destiny
And we donâ€™t need no negative to get the best of me yeah
Love and unity alone can get to me or if a girl need me
So if you know a lot of love we spread put your light up
Feel a better day if you try and get a brighter love
Ghetto youths stop the war make no shots no more
Pack your bag donâ€™t make them boss it up, yea

{Chorus}
Put your lighters up
Get high with me, fly with me
Ainâ€™t no dividing us
East Side, West Side
North Side, South Side unified
Come on and ride with us

Put your lighters up
Get high with me, fly with me
Ainâ€™t no dividing us
East Side, West Side
North Side, South Side unified, ah

{Popcaan}
Hey, together make the cheddar
Show love to one another
Every man fit live thy brother
Unity is the strength that will make it better
Help a brother up the ladder
Loving every country
Snoop Dog and Popcaan
Them done get the vision
So we all can live in a one fun division
Go spread the news pon the television
Put up your lighter and wave ya hands, so

{Chorus}
Put your lighters up
Get high with me, fly with me
Ainâ€™t no dividing us
East Side, West Side
North Side, South Side unified

Come on and ride with us

Put your lighters up
Get high with me, fly with me
Ainâ€™t no dividing us
East Side, West Side
North Side, South Side unified, ah

{Outro}
This one is about unity you know
Gully God Snoop Dogg
