Alabama Jubilee

Ringers

You oughts to see Mr Jones when he rattles the bones
Old Colonel Brown jumpin' 'round like some kinda clown
Ol' aged mama she done past eighty-three shoutin' out
I'm full o'pepWatch your step and help yourself
Well one legged Joe jumpin' round on his ol' toe
Threw away his crutch and hollered hey here we go
Well it's hail hail the gang's all here for the Alabama JubileeYou oughta see
