Capio

Bel Canto

Capio
Sera` la candidez
Sera` la nina
La historia pasaWell, I'll love my life
Until the very hour
When I'll be broken
Into the coldSera` la candidez, la historia pasa
And another fall
Y en el jardin
It will be toldSomeone who'll end it all
Someone who'll fall
Someone who'll end it all
Somebody's faultY en jardin
