Can't Live With The World

Laura Mvula

You can't live with the world on your shoulders
Your shoulders
Take my hand and you'll see love will find us
Will find us
You've been lost in a dark place a long time
A long time
Now I'll find you, I'll stay here and hold you

I'll stay, I'll hold you till morning
I'll hold you tight

You can't live with the world on your shoulders
Your shoulders
Come to me, say goodbye to your struggles

I'll stay, I'll hold you till morning
I'll hold you tight
I'll stay, I'll hold you till morning
I'll hold you tight

Remember how far you've come
From the start till the end
Depend on me

You can't live with the world on your shoulders

I'll stay, I'll hold you till morning
I'll hold you tight
I'll stay, I'll hold you till morning
I'll hold you tight

You can't live with the world on your shoulders
You can't live with the world on your shoulders

Stay to the morning come
Stay to the morning come
Hold you to the morning light
Hold you to the morning light
