I Did It Again

Luke Bryan

It took me and four of my buddies
Half the night to pull out my truck
I stood there and proclaimed to everybody
It's the last time I'll mess with this mud
The boys they all grinned
And two nights from thenI did it again just one more time
Even I swore that I'd lost my mind
But I turned right around and just like a fool
Did what any old country boy'd do
I did it againI took my first sip of cold beer
And tried not to spit it back up
I set it back down on that tailgate
Told myself I'd had enough
Then like a real man
I took hold of that can, andI did it again just one more time
Even I swore that I'd lost my mind
But I turned right around and just like a fool
Did what any old country boy'd do
I did it againI guess I'm a slow learner, I ought to know better
Than to do what I do, but I ain't no quitterThe other night we got a little rowdy
I woke up with one eye swole shut
Yeah things got out of hand at that party
I said that's it, it's 'bout time I grow up
But that next weekend, I called all my friends andI did it again just one more time
Even I swore that I'd lost my mind
But I turned right around and just like a fool
Did what any old country boy'd do
Yeah what any old country boy'd do
I did it again, I did it again
I done done it again, I did it again
