It Was Such a Good Day

Perry Como

I used to think I could stop the earth,
And hold time in my hand . . .But I watched as it raced on by me,
Headin' for tomorrow . . .And I haven't the power to say,
We can save today . . .For a little while longer,
Just one tomorrow,
Can I save today?
It was such a good day!I wanna remember,
All of the good times,
At the end of the day,
To remember the good times . . .The look at the morning,
The children at play,
Oh! Can I save today?
It was such a good day!When this day is over,
And the sun leaves the sky,
Let me see all the memories,
While they're clear in my eye . . .At the end of the day,
Let me reach out an' touch,
All the faces of places an' people,
That I love so much!Especially the people,
That I love so much!Especially the people,
That I love so much!
