Breed The Killer

Downset

I say we got
Brown and black blood to the concrete
Exposed to the systematic terrors and atrocities
Generations of blood-soaked families
Economic prison and self-hate is my birth-right, see?Fratricide, homicide, suicide, genocide
They wanna kill the niggas and wetbacks silently
Fueled by hate, fear and forced self-denial
Black kill black, brown kill brown, L.A. styleThey breed the killer, yes, they breed the killer
They breed the killer, yes, they breed the killer
Born in the middle of a ghetto-like battlefield
Denied human rights and the wounds won't heal
Our mothers shout a suffocating painful cry as they watch
More generations of black and brown dieDignity defined by sacrificial death
To die for the blood is all I have left
The system at hand must see one thing clearer
The city of L.A.'s breeding them black and brown killersBlood to the concrete, systematic terror
Blood to the concrete, systematic terror
Blood to the concrete, systematic terror
Blood to the concrete, systematic terror[Incomprehensible]Historical facts will prove the system guilty
Hypocrisy existed when there should have been equality
Mental enslavement to loss of self-confidence
Self defense ends in death of intelligence
Drown in abyss of insufficient education
Prosperity cannot exist through moderationForced on the culture, death in the bloodline
Father to son the mind will be confined
818, yes, they breed the killer
213, yes, they breed the killer
The system at hand must see one thing clearer
The city of L.A. is breeding black and brown killersBlood, blood to the concrete, systematic terror
Blood to the concrete, systematic terror
Blood to the concrete, systematic terror
Blood to the concrete, systematic terror
