Empty

Tait

If I play the game
And I win the fame
Will I be the man I dreamed of
And if I woo the crowd
And their screams are loud
Is it really me that they loveWhat does it profit
What does it profit meIf I gain the whole world
And lose my own soul
What would be said of meOr my vanity, vanities
Chasin' the wind
I'm feelin' empty again, yeah
I'm feelin' empty againIf I gain the whole world
And lose my own soul
What would be said of me
Or my vanity vanities
Chasin' the wind
And I'm feelin' empty againIf I gain the whole world
And lose my own soul, ooh
What would be said
Tell me what would be said
Or my vanity, vanities
Chasin' the wind
I'm feelin' empty again, yeah
I'm feelin' empty again, yeah yeahJesus come fill me again
