All You've Got

Sarah Darling

His name was Taylor
Such a happy handsome blue eyed kid
Loved to laugh loved to live
And for 20 years thatâ€™s all he did
It happened out of nowhere
Now we're standinâ€™ round sayinâ€™ goodbye
Wishinâ€™ we were not
You don't know friends are all you need
Till friends are all you've got

Just like my Grandpa
The doctors said his heart was gonna go
They gave him 6 months
But that was 11 years ago
My Grammy's still beside him
Waitinâ€™ on him hand and foot
Like they just tied the knot
You don't know love is all you need
'Till love is all you've got

All we really have is each other
But somehow we seem to forget
Then life turns its pages, somethinâ€™ changes
In between redeem and regret.

I feared the darkness
Cause it felt like hell was running after me
So I gave up and I dropped down
And for the first time I got real on my knees
I made a friend that day
Found a love thatâ€™s lookinâ€™ after me
Even when I'm not
You don't know God is all you need, till God is all you've got
And you don't know God is all you need, till God is all you've got
