Pure (feat. Kari Jobe)

Gateway Worship

I run to You
When my heart is weak
I cling to You
You're all I seekIt's my heart's desire
To be close to You
Here in Your arms
I'll find my strengthYour love is pure
Your love is precious
Your love is all I need
Your love surrounds me
Your love astounds me
Your love is ev'rythingEv'rything I want
Ev'rything I hope in
Ev'rything my heart cries out for
