Did You Wrong

Pleasure P

You know I want ya?ll to just sit back and think
For a second you know what I mean
There's a lot of haters out there hatin? on people relationships and stuff
Don?t nobody wanna see you happy they always trynna take ya joy
Bring you down
(No no no no noo)
But you gotta be the one to stick by yo mate
And say I?ma be with you no matta what u know what I?m sayin?
Fuck it I did wrong you did wrong too, you know what I?m sayin? but
We gotta put up with each otha shit the easiest thing to do is leave
Ya dig? Anyway check dis out
I don?t wanna lose this relationship, so we
Gotta stay strong don?t wanna move on
I know you sick and tired of the fussin? and da fightin? and da cussin?
But I love you and you love me too
I did you wrong you did me wrong
I take you back you take me back
I did you wrong girl you did me wrong girl
I take you back I take you back, yea yea
No matta what you do, no matta what you say
No matta how far you go, don?t take your love away
Because I love you and girl I want you
And girl I need you, so let's just work it out
I ain?t trynna waste your time and I ain?t trynna waste my time
And ain?t no need to waste no time, 'cause we done put in too much time
I ain?t trynna waste your time and I ain?t trynna waste my time
And ain?t no need to waste no time, 'cause we done put in too much time
When you're in a relationship, the easiest thing for you to do is to leave
You gotta stick it out and work it out and stick it out and work it out
And stick it out 'cause at the end of the day
I did you wrong you did me wrong
I take you back you take me back
I did you wrong girl you did me wrong girl
I take you back I take you back, yea yea
No matta what you do, no matta what you say
No matta how far you go, don?t take your love away
Because I love you and girl I want you
And girl I need you, so let's just work it out
I love you baby, I need you in my life you know what I?m sayin?

I?m sick and tired of the arguing and all that good stuff
I mean I?m pleading on this track because I really really love you
And I really want us to work it out
And um you know I wanna marry you baby
You know I want you to be in my life for the rest of my life
You know what I?m sayin', anyway
I?m just talkin? a whole lot of gibber gabber
But um being without you is like the moon without the sun
And the sun without the moon and Pleasure P without Pretty Ricky and
You know what I?m sayin?, a blunt with no no dro
Ecstacy with no body, know what I?m sayin
You get what I?m sayin baby, you dig, iight you dig
Holla at ya boy, I love you
I did you wrong you did me wrong
I take you back you take me back
I did you wrong girl you did me wrong girl
I take you back I take you back, yea yea
No matta what you do, no matta what you say
No matta how far you go, don?t take your love away
Because I love you and girl I want you
And girl I need you, so let's just work it out
