November Was White, December Was Grey

Say Hi

The fire, it cracks
And the flakes snow on
November was white
and December was greyWell, someday soon
When the spring brings the sun
I'll finally sleep, I'll finally
feel better when the winter's gone
I'll feel better when the winter's gone
I'll feel better when the winter's goneFor these three months
I've been inside the house
My pacing has worn
All of the carpet outJust give me a breeze
The rebirth of the life
I'll finally pine, I'll finally
Feel better when the winter's gone
I'll feel better when the winter's gone
I'll feel better when the winter's gone
