Payphone

Jason Chen

I'm at a payphone trying to call home
All of my change I've spent on you
Where are the times gone
Baby it's all wrong
Where are the plans we made for two

Yeah, I, I know it's hard to remember
The people we used to be
It's even harder to picture
That you're not here next to me
You said it's too late to make it
But is it too late to try?
And then that time that you wasted
All of our bridges burnt down

I've wasted my nights
You turned out the lights
Now I'm paralyzed
Still stucked in that time when we called it love
But even the sun sets in paradise

I'm at a payphone trying to call home
All of my change i've spent on you
Where are the times gone baby
It's all wrong, where are the plans we made for two

If happy ever after did exist
I would still be holding you like this
And all those fairytales just can't exist
One more stupid love song I'll be sick

You turned your back on tomorrow
Cause you forgot yesterday
I gave you my love to borrow
But just gave it away
You can't expect me to be fine
I don't expect you to care
I know I said it before
But all of our bridges burnt down

I've wasted my nights
You turned out the lights
Now I'm paralyzed
Still stuck in that time when we called it love
But even the sun sets in paradise

I'm at a payphone trying to call home
All of my change I've spent on you
Where are the times gone baby
It's all wrong, where are the plans we made for two

If happy ever after did exist
I would still be holding you like this
And all those fairytales just can't exist
One more stupid love song I'll be sick

Now I'm at a payphone...
