

Fix Me

10 Years

Fix Me
Its taken a lifetime to lose my way
A lifetime of yesterdays
All the wasted time on my hands
Turns to sand
And fades in the wind
Crossing lines
Small crimes
Taking back what is mine
Im fine in the fire
I feed on the friction
Im right where I should be
Dont try and fix me
Im fine in the fire
I feed on the friction
Im right where I should be
Dont try and fix me
So lost for so long
To find to my way
I failed to follow
Im out of place
Crossing Lines
Small crimes
Taking back what is mine
Im fine in the fire
I feed on the friction
Im right where I should be
Dont try and fix me
Im fine in the fire
I feed on the friction
Im right where I should be
Dont try and fix me
Im fine in the fire
I feed on the friction
Im right where I should be
Dont try and fix me
Im fine in the fire
I feed on the friction
Im right where I should be
Dont try and fix me
Im fine in the fire
I feed on the friction
Im right where I should be
Dont try and fix me
