Wizard Of Finance

Parliament

If I was a wizard of finance
Speculating every day on Wall Street
My dividends would be so tremendous, baby
Even Dow Jones would find it hard to believeIt's your lovin' kind
Kissin' kind, squeezin' kind
Holdin' kind, babyIt's your lovin' kind
Kissin' kind, squeezin' kind
Huggin' kind, darlin'If I had plenty of money
I would probably spend it all in one year
I'd be busy buying you flowers, girl
Just to show I appreciate your being nearIt's your lovin' kind
Kissin' kind, squeezin' kind
Holdin' kind, darlin'It's your lovin' kind
Kissin' kind, squeezin' kind
Huggin' kind, babyIt's the lovin' kind
It's the squeezin' kind
It's the lovin' kind
It's the squeezin' kindIt's your lovin' kind
Kissin' kind, squeezin' kind
Holdin' kind, huggin' kind
Squeezin' kind, yeah darlin'It's the lovin' kind
It's the squeezin' kind
It's the lovin' kind
It's the squeezin' kindIf I were a wizard of finance
I would probably invest my life in you
My dividend would be so tremendous, baby
Even Dow Jones won't believe it's trueIt's the lovin' kind
It's the squeezin' kind
It's the lovin' kind
It's the squeezin' kindIt's your lovin' kind
Kissin' kind, squeezin' kind
Holdin' kind, huggin' kind
Squeezin' kind, yeah babyIt's the lovin' kind
It's the squeezing kind
It's the lovin' kind
It's the squeezing kind
