

# Magdalena

## Pixies

I needed something to eat  
I took a walk down the street  
I came to 318  
Saw my sweet Magdalena Magdalena you're the meanest  
Magdalena you're the leanest  
Magdalena sweet Magdalena I went down deep in her hive  
One year just turned into five  
Night came and then it was gone  
How did you get so strong? Magdalena just between us  
You're the meanest and the leanest  
Magdalena how you get so strong? Magdalena Magdalena  
Magdalena Magdalena And then we started to drag  
Me and my Maggie Mag Mag  
I begged her please no no no  
She said you got to go Magdalena just between us  
You're the meanest Magdalena  
Magdalena you're the meanest  
Magdalena Magdalena  
Magdalena Magdalena
