

Cry Wolf

The Girl and The DreamCatcher

I swear I'm done, I swear I'm through
I swear this time I never come back to you
Break my heart, and I give in
Every time we're done we're gonna do it again(Yeah)
Water is rising it's filling the room
Light of my life darling we are renewed
If I am the waves then you must be the moon You pull so hard I am drowning
I know, I should be leaving
But you make it hard to mean it
When the sun comes up
That's nice to lead it
When the sun comes up
I've been defeated
All we ever do is
Cry, cry, cry, cry wolf
All we ever do is
Cry, cry, cry, cry wolf
Scream it loud, kiss me sweet
Beg it on my love you never miss a beat
Drag me down, save my life Always say it's over but we know it's a lie
Water is rising it's filling the room
Light of my life darling we are renewed
If I am the waves then you must be the moon You pull so hard I am drowning
I know, I should be leaving
But you make it hard to mean it
When the sun comes up
That's nice to lead it
When the sun comes up
I've been defeated
All we ever do is
Cry, cry, cry, cry wolf
All we ever do is
Cry, cry, cry, cry wolf
I cry wolf
oh woah All, all, all, all we ever do is
Cry, cry, cry, cry wolf
I know, I should be leaving
But you make it hard to mean it
When the sun comes up

That's nice to lead it
When the sun comes up
I've been defeated
All we ever do is
(All we ever, all we ever)
Cry, cry, cry, cry wolf
All we ever do is
Cry, cry, cry, cry wolf
All we ever do is
Cry, cry, cry, cry wolf
