

# Filthy Hands

## Roman Holiday

In the middle of an empty home  
You sit alone and you wonder why  
Everybody up and disappeared  
Your biggest fear  
Right in front of your eyes  
By now you know why

Fire and blood are running through your veins  
I go insane  
When you get this way  
Take another sip and look around  
You're going down  
On your own this time  
By now you know why

I don't wanna see you on your knees  
I don't wanna hear you begging please  
Don't leave me by myself

You're always looking for another one  
To get you some  
To come and pick you up  
Get your filthy hands up out of here  
I live in fear  
Of who you've touched  
By now I know too much

I don't wanna see your longing eyes  
I don't wanna hear your sorry crying  
Don't leave me by myself

By now you know why  
By now
