

# War On Freedom

## Killing Joke

Ban heritage seeds and seed banks  
Vagrancy is a criminal offence  
Firing tear gas on reporters  
Cyber tracking cyberspace  
Compulsory vaccinations  
Guilty till proved innocent  
DNA database expansion  
Maintained without consent War on freedom  
War on freedom  
War on freedom  
War on freedom Iris scanners biometrics  
Facial recognition software  
RFID chip surveillance  
From the cradle to the grave War on freedom War on freedom  
War on freedom  
War on freedom No more peaceful demonstrations  
Militarise the police force  
Illegal trade agreements  
Conducted behind closed doors  
Bilderberg and private forums  
Media monopolies, shaping conventional wisdom  
Bye bye sweet liberty War on freedom  
War on freedom  
War on freedom  
War on freedom
