Two Reelers

Frank Black

A lot of people love that Jerome
Did you know he missed his comb?
All his life was in pain
Made us laugh, he never did complain
Brother Sam was more than okay
Returned once more to save the day
Slicked back hair, he did keep
Making a heep, heep, heep, heep, heepIf all you see is violence
Then I make a plea in their defence
Don't you know they speak vaudevillian?
And for what it is, hear what my theory is
Some gibberish, it is so serious
Yea, what we need is more silly menThough underrated all the time
Louis was so very fine
Without him, imagine
You know he could play the violin
Most important was brother Moe
He was the one who made it so
He got a Joe and another Joe
He would not quit, he would not quitAnd Mr. White heard bad reports
And so it ends, the two reeler short
'Cause you cannot do what you can't
And Mr. White heard bad reports
And so it ends the two reeler short
'Cause you cannot do, what you can'tIf all you see is violence
Well, then I make a plea in their defence
Don't you know they speak vaudevillian?
