

Love Is

Stevie Nicks

Do you know what this is
No, I don't
But whatever it is
It's very powerful
Have you felt this way before
Oh, I thought I knew
Do you know that I love you now
Oh yes, I do Love is
You've got the softest lips You know that I cannot stay
Yes, I know
It has nothing to do
With you or with love
Oh, yes it does
Do not call or come around here
Do not tell
You know that I loved you then
Oh, well Love is
You've got the softest lips
Love is
The touch of your fingertips
Love is
Knowing you won't let go She awakens things
That he said he thought were dead
He says, "Are you happy now?"
Oh yes, I am
But when it's over
How then will you feel
Will you miss those arms that used to go
Around you So she stood there in the hallway frozen
In the dark
And her heart broke down
She cried, she fell to the floor One tear
Slid across her lips
To the corner of her mouth Love is
And dropped to the floor
Love is
You've got the softest lips
Love is
The touch of your fingertips Ooh, she says love is

Knowing you won't let go
Love is
Watching you go
You're so very powerful
Love is Am I happy
Yes, I am
Do I know you love me now
Yes, I do
Do I know you cannot stay
I know
All about love
All about love You're so very powerful
