# Holiday

## Ratcat

(S.DAY)
Here we go!!!!!! :)
I'm going on a holiday.
So much for me to do.
I'm going on a holiday,
maybee just me and you.
Cast a sailing, on the seaside.
Breathing in the seaside air.
It won't be long, untill Im there.
{chi cha}
I'm going on a holiday.
So much for me to do.
I'm going on a holiday,
maybee just me and you.
Set for adventure to the unknown.
Set a course for far away.
It won't be long, utill Im there.
Life here's getting me down.
I've just got to get away.
We're going on a holiday,
such fun for me and you.
We're going on a holiday,
maybee we'll see you soon.
Surfing on the ocean waves.
Soaking in the sunny days.
Now I think maybee we'll stay.
On a holiday, We're going ! (*4)
