

Holiday

Ratcat

(S.DAY)

Here we go!!!!!! :)

I'm going on a holiday.

So much for me to do.

I'm going on a holiday,
maybee just me and you.

Cast a sailing, on the seaside.

Breathing in the seaside air.

It won't be long, untill Im there.

{chi cha}

I'm going on a holiday.

So much for me to do.

I'm going on a holiday,
maybee just me and you.

Set for adventure to the unknown.

Set a course for far away.

It won't be long, untill Im there.

Life here's getting me down.

I've just got to get away.

We're going on a holiday,
such fun for me and you.

We're going on a holiday,
maybee we'll see you soon.

Surfing on the ocean waves.

Soaking in the sunny days.

Now I think maybee we'll stay.

On a holiday, We're going ! (*4)
