Drug Dealing God

Corporate Avenger

Wanted by the U.S. Government.
The lord god almighty, creator of heaven and earth, of all that is seen and unseen.
For the creation and cultivation of the plant marijuana on the planet earth.It is a plant, not a demon.
It is a teacher, it is a healer
Roots within our mother's skin
One who gives freely.
Who are you, so full of lies?
I am human, I'm alive.
Who are you to dictate rights?
What you see is not our sight.God made it, men use it, governments put people in cages for it.Shiny green, above to sky,
I see her and she looks so nice.
I feel her, and I ask you why?
Who are you to dictate rights?
Who are you, so full of lies?
I am human, I'm alive.
Who are you to dictate rights?
What you see is not our sight.God made it, men use it, governments put people in cages for it.Wanted by the U.S. Government

Once upon a time, there was an unseen field of energy spun into form by the higher one, the creator, everything has a purpose and everything was inter-connected. Then one day one of the created decided to question the integrity of the creator, and question the interconnectedness, and question the purpose, it was a very sad day.
