

# Death Of A Party

## Blur

Death of the party  
Came as no surprise  
Why did we bother?  
Should have stayed awayAnother night  
And I thought, "Well, well"  
Go to another party, and hang myself  
Gently on the shelfDeath of the teenager  
Standing on his own  
Why did he bother?  
Should have slept aloneAnother night  
And I thought, "Well, well"  
Go to another party, and hang myself  
Gently on the shelfOhh ohh  
Ohh ohh  
Woo woo  
Woo wooAnother night  
And I thought, "Well, well"  
Go to another party, and hang myself  
Gently on the shelf
