Give It to Us

Codeseven

Sooner or later
you'll get tired
while we wait for the bomb
closer and closer
Give it to us
So far you've run
So far you've run
Sooner or later
you'll expire
while we wait for it all
Give it to us
So far you've run
don't say you're with me
'cause I'll be runnin' out
SO FAR YOU'VE RUN
DON'T TELL ME "NO"
DON'T TEAR THE LINE
BETWEEN THE DREAMS WE HAVE NOT FOUND
