

Belief

Gavin DeGraw

Belief
Makes things real
Makes things feel
Feel alright
Belief Makes things true
Things like you
You and I
Tonight, you arrested my mind
When you came to my defense
With a knife
In the shape of your mouth
In the form of your body
With the wrath of a god
Oh, you stood by me
Belief Builds from scratch
Doesn't have to relax
It doesn't need space
Long live the queen
And I'll be the king
In the collar of grace
Tonight, you arrested my mind
When you came to my defense
With a knife
In the shape of your mouth
In the form of your body
With the wrath of a god
Oh, you stood by me
Belief I'm going to yell it
From the rooftops
I'll wear a sign on my chest
That's the least I can do
Tonight, you arrested my mind
Tonight, you arrested my mind
When you came to my defense
With a knife
In the shape of your mouth
In the form of your body
With the wrath of a god
Oh, you stood by me

And I'll stand by me
Belief
