

When God Is In the Building

The Anointed Pace Sisters

Verse 1:

When God is in the building, the sin-sick are healed
When God is the building, that void can be filled
He's moving by His power, and sprinkling out His love
I can feel His presence right now, all over this place.

Verse 2:

When God is in the building, the sin-sick are saved
When God is in the building, the dead can be raised
The trouble can leave here troubleless, and the lame can be healed
The one seeking the Holy Ghost, today can be filled

Verse 3:

So we praise Him in the building, for your grace and your love,
We thank you for the anointing,
You send from above
For your wondrous works we thank you, and give you all the praise
We thank you Lord for blessing us, and filling this place

Vamp: Can you feel Him in the building
