

Runaway (Dj Yoshinori Remix)

Cascada

From London to Paris
From Berlin to Rome
You're searching for something
A place to call home
Been hiding your feelings
Went out of control
Your destinations unknown
Tell me
How can it be boy?
You're still a runaway
You chase the dreams from heaven above
Where in this world will you find a place to stay?
Runaway from love
How can it be boy?
You're still a runaway
You chase the dreams from heaven above
Where in this world will you find a place to stay?
Runaway from love
Runaway from love (runaway)
A new town, a new place
A knock on the door
You came as a stranger and entered the door
The moment I saw you, I knew it for sure
You won't pack your bags anymore
Tell me
How can it be boy?
You're still a runaway
You chase the dreams from heaven above
Where in this world will you find a place to stay?
Runaway from love
How can it be boy?
You're still a runaway
You chase the dreams from heaven above
Where in this world will you find a place to stay?
Runaway from love
Runaway from love (runaway)
I know you don't want to be a bother
Though your love's so undiscovered
I want you to stay boy
Stop running from love
How can it be boy?
You're still a runaway
You chase the dreams from heaven above
Where in this world will you find a place to stay?
Runaway from love
How can it be boy?
You're still a runaway
You chase the dreams from heaven above
Where in this world will you find a place to stay?
Runaway from love
Runaway from love
