## Jarod Espy

Promise - Jarod Espy

VERSE.1
Lord I call on Your name
Hear my cry, hear my plea
Give me faith, give me strength
Lord I know You're all I need

PRE-CHORUS
I will put my trust in You
I will put my hope in You

CHORUS
I believe Your promise stands
I will trust in Your faithfulness
My life I give to You my Lord

VERSE.2
Though my eyes cannot see
You're the Lamp unto my feet
You are strong, I am weak
Lord Your grace is enough for me
CHORUS.(2X)

BRIDGE
Lord not my will

But Your will
Let this be my cry
Lord not my will
But Your will
Be my one desire
(3X)

CHORUS

I have seen Your promise stands
You came You died You rose again
And now my Faith will stand secure

In Christ alone my hope is sure
