

Chairman of the Board

Motor Ace

Don't, ask
They been keeping secrets, we been sleeping fast
Don't, show
The glimmer in your eye,
Unless you got someone to blow. Working overtime,
By your own design.
You cheat, you steal, you climb. Hey, you don't want to be see-sawed
Got their attention now you're
Chairman of the board.
Hey, but you're losing friends
'Cause you lost their patience,
Nobody wants to know. Don't, smile.
They've been keeping tabs
Your dance moves are on file.
So right or wrong
You're self made and you're proud
You keep the reputation strong. Working overtime,
By your own design.
You cheat, you steal, you climb. Hey, you don't want to be see-sawed
Got their attention now you're
Chairman of the board.
Hey, but you're losing friends
'Cause you lost their patience,
Nobody wants to know. Hey, you don't want to be see-sawed
Got their attention now you're
Chairman of the board.
Hey, but you're losing friends
You're out of time, out of time. Yeah, yeah.
Yeah, yeah, yeah. Hey, you don't want to be see-sawed
Got their attention now you're
Chairman of the board.
Hey, but you're losing friends
'Cause you lost their patience,
Nobody wants to know. Hey, you don't want to be see-sawed
Got their attention now you're
Chairman of the board.
Hey, but you're losing friends
You're out of time, out of time.
