

# Blessings

Tom Walker

Well are we going out tonight?  
We could go to yours  
You could come to mine  
I got no money for the pub no  
Could probably scrape enough for the bus though, yeah  
And what a time to be alive  
Four bottles down my neck and I'm felling fine  
So lets hear it for the good times,  
Lets hear it for the good times Been counting our blessings, But it don't take us too long  
Cause our lives ain't like a movie, or a Katy Perry song  
Been counting our blessings  
Cause we got friends to lean on  
Got no money in our pockets, we're too busy getting drunk  
We're counting our  
Just counting our blessings  
Just counting our  
Just counting out blessings  
Well I really hate to kill the vibe  
But who's going to the shop, we could use supplies  
I'm busy playing FIFA, you all know I'm gunna beat ya  
And what a time to be alive, Fat Freddy's on the Drop (On Spotify)  
So lets hear it for the good times,  
Lets hear it for the good times Been counting our blessings, But it don't take us too long  
Cause our lives ain't like a movie, or a Katy Perry song  
Been counting our blessings  
Cause we got friends to lean on  
Got no money in our pockets, we're too busy getting drunk  
We're counting our And when the night is over, lay your head upon my shoulders  
Glad I'm coming down with you  
Cause nothing really matters  
As long as you're right here  
Been counting our blessings, (But it don't take us too long)  
Cause our lives ain't like a movie, or a Katy Perry song  
Been counting our blessings, Oh  
Cause we got friends to lean on  
Got no money in our pockets, we're too busy getting drunk  
We're counting our  
Just counting our blessings, ohhhh  
Just counting our

Just counting out blessingsWe're counting out blessings oh  
Just counting our blessings  
Counting our, counting out blessingsCounting our blessings
