

# Groovy Underwear (live 1998)

## Pansy Division

Tight briefs on your sexy butt  
White fabric surrounding your nuts  
Bike shorts put it on display  
You're wearing it to the left today  
Sweat pants clinging to your crevice  
Boxer shorts for easy access  
I'm digging your  
Groovy underwear, groovy underwear, ooh, ooh  
Groovy underwear, groovy underwear, ooh, ooh  
It's so groovy  
Jockstrap showing off your cheeks  
Movin' in for a closer peek  
Running shorts, thin as paper  
Barely dressed, nearly naked  
Pulled down around your ankles  
I'll make you spill out like an oil tanker  
All because of your groovy underwear  
Stretched tight, so hot  
I've come, i've shot  
My turn now to get you off  
What a collection of skivvies i've got  
Skimpy little g-string  
Hardly a stitch covering that thing  
Tucked into that little pouch  
Straining hard to get out  
Barely hold you once you get throbbing  
Let my hands go fishing around in  
Look what I found in your groovy underwear  
You sure know how to please  
Let me give those buns a squeeze  
What fine cakes, what fine batter  
Any second now i'm gonna splatter  
All over your groovy underwear
