

Surrounded By Porcelain Flies

The Alter Boys

When it stops when it fades
When the bodies have all hit the ground
I'll be there at a funeral for a friend When it's done when it's over
When the buildings have all burned down
I'll be there at a funeral for a friend Take my last breath today
Close my eyes and fade away
Lower me in the ground
You'll be there at a funeral for a friend I can't remember what I was trying to forget -- It doesn't matter now
Well I was frozen I was frozen in time -- In a cryonic dream
