

Soul to Love

Moby

On the sound of light melody
On the sound of light melodyIs the soul to love, is the soul to love
Is the soul to love, is the soul to loveOn the sound of light melody
On the sound of light melodyIs the soul to love, is the soul to love
Is the soul to love, is the soul to love
Is the soul to love, is the soul to love
Is the soul to love, is the soul to loveOn the sound of light melody
On the sound of light melody
On the sound of light melody
On the sound of light melodyIs the soul to love, is the soul to love
Is the soul to love, is the soul to love
Is the soul to love, is the soul to love
Is the soul to love, is the soul to loveOn the sound of light melody
On the sound of light melody
On the sound of light melody
On the sound of light melodyIs the soul to love, is the soul to love
Is the soul to love, is the soul to love
Is the soul to love, is the soul to love
Is the soul to love, is the soul to loveIs the soul to love, is the soul to love
Is the soul to love, is the soul to loveOn the sound of light melody
On the sound of light melody
On the sound of light melody
On the sound of light melody
