

Git It Awn!

NO BS! Brass

[instrumental]

Calling all your party people

Itâ€™s the trace of no bs and hereâ€™s the steeple

The synagogueâ€™s a mosque all the worldâ€™s a temple

Believe what you believe and keep it simple, cause we

Gettin it awn

Diggin the vibe

Givin off the vibe that life is good from my one tribe

Dance! Your last chance donâ€™t miss your first or youâ€™ll be standing in the rubble with your

Bubble burst! Double down! Headfirst, we drivin in this celebration, situation

Blasting tones to shake brains and bones and break chains and stones, crush cones

Weâ€™ve got you grabbing your cell phone and sending out the call

Together we could be better than so many we could be one of the [unintelligible]

Encompassing [unintelligible]

Right here! Right now! Until itâ€™s gone

Never had to pay your way, itâ€™s time to get it on!

[instrumental]

(All) its time to get it on!

[instrumental]

(All) huh!

[instrumental]
