

Progress

Mavado

Mi just link up wit mi dawg Mineral boss
Yuh know gully side Mineral, progress Wi nuh inna nothin' with yuh
If yuh nah show no progress
Man fi go through life without no stress
Be friends meet some people that's hopeless
Cause I man a know progress Dem chat a bag a things and dem screw
A just suh dem come tan
A stone you bread come from
A jail bunk dem waan see man head pon
A you nice life dem waan see you dead from Nah, dem cyaa trick mi and kill mi
Mi cyaa dead so
Dem a send a bag a news to you woman fi you woman left yuh Life is like the weather
You haffi go through the season A simple ?
People change and you don't know the reason
Duppy bat nuh have no direction
And a dem a try lead you
Mi couldn't work wid a ni**a dem
From him a work wid him ego
Mama seh good mix wid a lot of evil
The devil in a lot of people
From mi nah feel yuh energy mi gone
Like the good bible mi read you Nah, yuh cyaa trick mi and kill mi
Mi nah dead so
Dem a send a bag a news to you woman fi you woman left yuh
Dem cyaa trick mi and kill mi
Mi nah dead so
Mi hold on pon mi life but mi nah let go Nuh bother drown in your sorrows
Haffi feel like swim
From mi paper to pen is a real life thing
Yes today yuh down or yuh feel like king
? the life where yuh from wasn't inviting
Sometimes mi know it stressing
Mi waan rebel youth rise and count unno blessings
Dem waan see wi feed pon dumpling and mackerel
Mi woulda see food and lobster pon the hot grill
Waa happen to dem, no no
