

# Move Me (feat. Brendan Reilly)

## Cerrone

Dancing

Like I'm James Brown or Michael Jackson

You came in set off a chain reaction

I can't control my two feet

You sure know how to move me

Ooh ooh ooh babe I used to sit by myself

No one could make me come out of my shell

Then you ignited a fire under me

And now I can't stop my feet from dancing

(Dancing)

You came in set off a chain reaction

(Yes you did) Baby

Didn't know before what I was missing

(I didn't really know, know, know)

Must have been magic in the kissing

(Kissing)

I can't control my two feet

You sure know how to move me

Ooh ooh ooh babe I thought that I'd only see shades of grey

'Till you, you brought a rainbow my way

My heart has a new kind of beat

And now I can't stop my feet from dancing

Like I'm James Brown or Michael Jackson

You came in set off a chain reaction

(Yes you did)

I can't control my two feet

You sure know how to move me

(You know how to move me) Baby (baby)

Didn't know before what I was missing

(Didn't know, didn't know, didn't know, know, know)

Must have been some magic in the kissing

(When you kiss me)

I can't control my two feet

You sure know how to move me

Ooh ooh ooh babe You move me, yeah

You move me, you move me, you move me

You move me, you move me, you move me

(You really move me)

Said you really move me Ooooh
